

ARE YOU A PARENT OF A TEENAGER (12-17Y) WITH MELAS? **WE WANT TO HEAR THEIR STORY!**

Enrolling Final Group of Participants in MELAS Interview Study.

Why Participate?

- Two 45-minute phone interviews completed at your convenience
- Your teen gets paid up to \$150 for their time
- Your teen's voice could help shape the development of investigational medicines for MELAS

Who Can Participate?

- 12-17 years old
- Able to read, speak, and comprehend English
- Genetically and clinically diagnosed with MELAS

Example Question

Could you please briefly tell me about what a typical day with MELAS is like for you?

Interested?

Simply provide your first name and contact information (phone and/or email) to Adelphi Values, who is performing the interviews for Tisento, and reference the MELAS study.

- MELAS@adelphivalues.com
- (617) 720-0001

No medication will be administered during this interview study

Tisento is Italian for "I hear you."
We are on a mission to deliver medicines
that address what matters most.
